GOLD DOES GOOD

How did Golden Girls begin?

Three female entrepreneurs founded Golden Girls® in 2008 with this mission:

To provide women with a local, safe and trusted means of selling their unwanted gold, silver, and platinum for cash.

To offer women a flexible means of earning extra income without sacrificing the demands of everyday life.

And to give back by contributing to local charities and organizations with each transaction.

What is a Golden Girl?

Our licensed Golden Girls purchase gold, silver, and platinum at home parties, fundraisers, and one-on-one consultations. We provide payment to each guest, and we donate a portion of our proceeds to a local charity!

Why is Golden Girls unique?

Our support system is second to none. From one-on-one training, to team building and coaching—we are there every step of the way.

Need flexibility?

Want to work your own schedule? Our Buyers set their own hours and goals. If you are a motivated self-starter looking to achieve financial freedom, join our growing team to start changing lives, one party at a time.

How do I earn money?

Your earnings depend on how much time and energy you want to invest. Some prefer a part-time commitment while others are looking for a full-time career. With Golden Girls' comprehensive incentive plan, your earning potential is limitless!
